Some books on Sikhism may contain some contents which may not be as per Namdhari doctrines.

These books have been included in this library purely for research and exploration purposes.

The views expressed in this Library is purely authors own and we cannot accept any liabilities.

Some of the books have been included for their significance as part of developing historic events.

The readers need to use their fair judgment as to the true facts of history and not be carried away by the writer's own prejudices.
